The downtown hotel in a quiet location: Welcome to the 3-star “Derag Livinghotel Am Deutschen Museum” located at the tread of the river “Isar” in a busy but quiet quarter. The “Gasteig cultural center” is in walking distance and offers a huge program of events. The Metro is convenient just around the corner and offers a fast transportation in all directions. You arrive at center of Munichs down-town just in a walkaway.

Comfort has priority at all hotel rooms, suites, maisonettes and apartments. Key factors are, of course, the furnishings: less styled but more comfortable and functional, also for your long term stays. Serviced apartments are equipped with a complete kitchen or kitchenette so that you have got the possibility to cook on your own.
